

## **Jodi Wendt**

Born in Hutchinson to Roy and Carol Wendt, Jodi began playing golf at the age of seven. She had the unique opportunity to play high school golf under the guidance of her Hall of Fame coach—her mother, Carol Wendt. Jodi went on to play collegiate golf at Mankato State University, where she became a two-time All-American and won eight tournaments. Her outstanding achievements earned her induction into the Minnesota State at Mankato Hall of Fame.

After college, Jodi competed on the professional golf circuit for three years before earning her Class A LPGA Professional status. From 2004 to 2019, she served as head coach of the Women's Golf team at Winthrop University in Rock Hill, South Carolina. Following her coaching career, she transitioned back into golf operations, taking on the role of Assistant Professional at Waterford Golf Course in Rock Hill.

In March 2025, Jodi, her husband Terry, along with their cats and dog, returned home to settle near Belle Lake. Please join us in welcoming Jodi and Terry —
